

Arcanol Rolling Bearing Grease

Optimized grease usage for prolonged bearing performance

	Grease	Benefits
Multipurpose greases	MULTITOP	<ul style="list-style-type: none">• Moderate to high loads• Broad speed range• Broad application range• Local greases to meet local requirements
	MULTI2	
	MULTI3	
High loads	LOAD150	<ul style="list-style-type: none">• High load requirements• Line contact• Higher temperatures• Vibrations
	LOAD220	
	LOAD400	
	LOAD460	
	LOAD1000	
High temperature ranges	TEMP90	<ul style="list-style-type: none">• Wide temperate range• Moderate to high loads• Low start-up temperatures
	TEMP110	
	TEMP120	
	TEMP200	
Special greases	SPEED2,6	<ul style="list-style-type: none">• Special high-speed requirements• Special food production requirements such as Halal• Special greases for oscillations
	VIB3	
	FOOD2	
	CLEAN-M	
	MOTION2	
	SEMIFLUID
